## Horse Riding in forests

*Northern Ireland's forests offer numerous horse riding opportunities. Designated trails have been established in many forest areas. These forests contain many miles of traffic free roads and trails - the ideal environment for riding well removed from the noise, fumes and danger associated with public roads.*

*Designated forests are within easy reach of most major towns and parking is available for horseboxes. Please ensure that the car park area is left clean on departure.*

### Charges

**access to all designated horse riding trails  
(1 January 2012 - 31 December 2012)**

Daily per pony /horse      £ 8.50  
(one location only)

Annual per pony/horse      £85.00  
(access to all horse riding trails)

Club events                      £195.00
