
Notification of Births and Deaths of Bovine Animals

Breed Codes

NOTE: PLEASE DO NOT WRITE DETAILS ANY OTHER WAY.

The following Codes should be used.

The list is complete for Northern Ireland at present and will be revised by the Department of Agriculture & Rural Development as necessary. However, if you require to record a breed not on the list, enter the name of the breed in full for the attention of the DVO. In the case of crossbreeds record only the dominant breed.

BREED TYPE	BREED CODE	BREED TYPE	BREED CODE	Colour
Aberdeen Angus	AA	Lincoln Red	LNR	Black B Blue BL Brindle BR Dun D (includes Yellow, Fawn, Cream, Light Brown, etc.) Red R Roan RN White W Black & White BW Blue & White BLW Dun & White DW Red & White RW All colour types are covered - do not use any variations. Colour dominance is not important e.g. white and black = BW. Please note brown is not a colour to be used, depending on the intensity of the colour Red (R) or Dun (D) should be used.
Aubrac	AU	Luining	LUI	
Ayrshire	AYR	Maine Anjou	MAJ

Limousin	LIM	White Park	WP	

Notes for Guidance - MC1

Cattle Identification (Notification of Births, Deaths and Movements) Regulations (Northern Ireland) 1999.

In accordance with the above Regulations you are required to notify the Department of Agriculture & Rural Development (DARD) of details of all births and deaths of animals in your herd.

(The information you are required to provide may be revised and DARD will notify you as necessary.)

BIRTH OF AN ANIMAL:

- All calves should be identified with an all-numeric approved plastic tag in each ear:
 - within **36 hours** of **birth** in the case of a dairy herd and;
 - within **20 days** of **birth** in herds other than dairy herds.
- Births must be notified to the Department within 27 days of birth** or before movement, whichever is the earlier by completing a MC1 and submitting the completed MC1 to your local Divisional Veterinary Office, or by going on line using the Rural Portal at www.ruralni.gov.uk
- Births not notified to DARD within 27 days from the date of birth will be subject to a NNO status (No Notification of Birth) being applied. This status restricts the movement of an animal, may affect its eligibility for slaughter and affect subsidy payments.

To notify births: • Complete **Section A** (Births) of the MC1 as follows:

Section A: BIRTHS				Births must be notified to the Department within 27 days of birth or before movement, whichever is the earlier.			
Identification Number (Ear Tag)	Colour	Breed	Sex	Date of Birth D/M/Y	Dam's Official Identification Number (Ear Tag)	Breed of Sire*	Identification Number of Sire (if known)*
U K 9 6 3 3 4 2 6 3 0 4 6 5	BW	FR	M	17 11 03	U K 9 6 3 3 4 2 6 5 6 2 7 1	HOL	UK 9 633426 4346 2

- » Send top copy (white) to your local Divisional Veterinary Office.
- » Retain second copy (yellow) for your own records.

* Not compulsory

The information in this document or any related inspection reports may be used in support of any function of the Department of Agriculture and Rural Development and may be made available to other Departments/Agencies for the purposes of preventing or detecting crime.

STILLBORNS:

- If a calf is born stillborn or dies prior to the prescribed period for identification, there is no need to identify (tag) the animal.
- Stillborns must be notified to the Department for disease control purposes by completing a MC1 and submitting the completed MC1 to your local Divisional Veterinary Office, or by going on line using the Rural Portal at www.ruralni.gov.uk. In these cases, the DAM may be tested for Brucellosis.

To notify stillborns: • Complete **Section A** of the MC1 as follows:

Section A: BIRTHS				Stillborns must be notified to the Department within 27 days of birth.																																																	
Identification Number (Ear Tag)		Colour	Breed	Sex	Date of Birth D/M/Y	Dam's Official Identification Number (Ear Tag)		Breed of Sire*	Identification Number of Sire (if known)*																																												
U	K	9	S	T	I	L	L	B	O	R	N		R	L	I	M	1	7	1	1	0	3	U	K	9	6	3	3	4	2	6	4	5	2	3	2	L	I	M	U	K	9	6	3	3	4	2	6	4	3	4	7	2

- » Send top copy (white) to your local Divisional Veterinary Office.
- » Retain second copy (yellow) for your own records.

* Not compulsory

DEATH OF AN ANIMAL:

- Death of cattle in the herd must be notified to the Department within **7 days** of the **death** of an animal by completing a MC1 and submitting the completed MC1 to your local Divisional Veterinary Office, or by going on line using the Rural Portal at www.ruralni.gov.uk. (N.B. Also within 24 hours for animals over 24 months by telephone to an approved agent)
- The manner and place of disposal of the animal carcass should be one of the following:- official disposal agency, rendering premises or veterinary laboratory.

To notify deaths: • Complete **Section B** (Deaths) of the MC1 as follows:

Section B: DEATHS				Deaths - Death of cattle in the herd must be notified to the Department within 7 days of the death of the animal.																				
Identification Number (Ear Tag)		Colour	Breed	Sex	Date of Death D/M/Y	Manner and Place of disposal of carcass																		
U	K	9	6	3	3	4	2	6	4	4	9	2	B	L	I	M	F	1	7	1	1	0	3	Official disposal agency

- » Send top copy (white) to your local Divisional Veterinary Office.
- » Retain second copy (yellow) for your own records.

Note: Herd keepers are not required to notify deaths of animals in the following circumstances:
(a) cattle that are going to slaughter at an approved abattoir;

An MC1 should be used in all other cases.

If you require any further information contact your local Divisional Veterinary Office.

The information in this document or any related inspection reports may be used in support of any function of the Department of Agriculture and Rural Development and may be made available to other Departments/Agencies for the purposes of preventing or detecting crime.
